## PROFESSIONAL SUMMARY

---

Statistics student and aspiring Data Scientist / Machine Learning Engineer with practical experience in data analysis, statistical modelling, machine learning, NLP, and deep learning. Proficient in Python, R, SPSS, and Excel, with hands on projects spanning predictive modelling, customer sentiment analysis, survival analysis, and CNN based plant disease classification. Strong analytical and problem solving abilities complemented by demonstrated leadership, academic excellence, and community service. Seeking opportunities to apply statistical and AI techniques to real world problems while developing production ready machine learning solutions.

## EDUCATION QUALIFICATION

---

### Federal University of Technology Akure

Bachelor of Technology (B.Tech.) in Statistics |

**2023 – Present**

**Academic Standing:** First Class Honours (CGPA: 4.66 / 5.00)

## CORE SKILLS

---

**Data Analysis & Statistics:** Data Wrangling, EDA, Statistical Analysis, Survival Analysis, Regression, Predictive Modelling, Feature Engineering

**Machine Learning & AI:** Classification, Regression, NLP, Deep Learning, CNNs, Model Evaluation

**Programming & Tools:** Python (Pandas, NumPy, Scikit-learn, Matplotlib, Seaborn, PyTorch), R, SQL, SPSS, Excel

**Visualization & Deployment:** Excel Dashboards, Data Visualization, Flask App.

**Leadership & Service:** Financial Administration, Budgeting, Academic Tutoring, Data Entry, Event Coordination

## EXPERIENCE

---

### 1. **President / President-Elect — Association of Statistics Students of Nigeria (ASSON), FUTA 2026 – Present**

- Lead the student association in advancing academic excellence, student opportunities, unity, accountability, and service
- Coordinate student focused initiatives, academic support activities, and engagement with members and stakeholders.
- Provide strategic direction for programs that support students' academic, professional, and personal development.

## 2. **Treasurer / Financial Secretary — Association of Statistics Students of Nigeria (ASSON), FUTA 2025 – 2026**

- Managed financial record-keeping, budgeting, and fund accountability for the departmental student body
- Streamlined financial tracking to improve transparency and accountability.
- Supported the planning and execution of student-led academic and social activities.

## 3. **Campus Ambassador — Cowrywise 2025 – Present**

- Promote financial literacy, responsible money management, and a savings culture among students on campus
- Engage students with financial education and opportunities to improve their personal financial awareness.

## 4. **Data Entry Volunteer — Junior Achievement Nigeria Safe Online Program for Secondary Schools | 2025**

- Managed and cleaned participation data for secondary-school students undergoing digital literacy and safe-internet training.
- Maintained data integrity and structural accuracy to support program monitoring and reporting

## 5. **Computer Training — MUSBAN Computer Institute, Ejigbo, Osun State 2021 – 2023**

- Developed practical competencies in database navigation, file management, computer troubleshooting, and administrative tasks.
- Applied Microsoft Office Suite (Word, Excel, and PowerPoint) to complete real-world administrative and documentation tasks.

## TECHNICAL PROJECTS

---

### **Real Estate Price Prediction Model**

*Python • Pandas • Scikit-learn • XGBoost • Machine Learning*

### **Customer Churn & Survival Analysis**

*Python • Logistic Regression • KNN • Cox Proportional Hazards*

### **OPay Customer Sentiment Analysis**

*Python • NLP • Text Classification • XGBoost*

### **Analysis and Building Dashboard with Excel**

## CERTIFICATIONS

---

Intermediate Deep Learning with PyTorch - Datacamp (2026)

Supervised Learning with Python- Datacamp(2025)

Unsupervised Learning with Python -Datacamp(2025)

Data Manipulation with Pandas – DataCamp (2025)

Joining Data with Pandas – DataCamp (2025)

Intermediate Python – DataCamp (2025)

Introduction to Python – DataCamp (2025)

Excel Basics for Data Analysis – IBM / Coursera (2024)

Introduction to Data Analytics – IBM / Coursera (2024)

Introduction to SQL – IBM / DataCamp (2024)

Data Analysis in Excel – DataCamp (2024)

## COMMUNITY SERVICE

---

### **SDG Advocate — SDSN Nigeria, Cohort 8 | 2026**

- Participated in SDG-focused community development and educational outreach activities in Akure.
- Engaged secondary-school students on academic development and educational opportunities; supported two students with WASSCE preparation materials.

### **Community Service — SDSN Nigeria SDG Advocates | 2026**

- Participated in a free medical outreach at Oda Community/Oda Market, supporting community members' access to basic healthcare services.

### **Academic Peer Mentor — FUTA | 2025–Present**

- Coordinate student academic groups and share study materials to support junior Statistics students.

### **Volunteer Data Entry Personnel — Meta / Junior Achievement Nigeria**

- Supported data entry activities for the Safe Online Programme.

### **Volunteer Registration Personnel — FIT Initiative**

- Supported registration and participant coordination for a youth talent-development initiative.

### **Registration Team Volunteer — Futapreneurs, FUTA | 2026**

- Supported attendee registration and coordination during the Studentpreneur Summit 2026, connecting students with entrepreneurship, networking, and business-development opportunities.
